Date

*THIS CARD MUST BE KEPT IN THE LASER OPERATOR'S POSSESSION.*

**New England Laser & Transit Company**

**1-800-362-8734**

## Laser Safety Considerations

When operating lasers with an output power of less than 5 milliwatts:

1. Post at least one laser warning placard at each laser location.
2. Turn the laser off when it is not required or is left unattended for a long period of time.
3. Do not look directly into the laser or point the laser at another person (unless using a fan lens and the viewer is at least 500 feet away).
4. Set up the laser well above or below eye level.
